

**St. Jacobs
Animal
Breeding
Corporation
Under New
Leadership**

Tim and Sharyn Abbott of Fairfield, VT recently purchased the business of St. Jacobs ABC from the members of St. Jacobs Animal Breeding Cooperative. In April of this year, St. Jacobs Animal Breeding Cooperative made the decision to sell the business. We have formed the new business, St. Jacobs Animal Breeding Corporation.

"The STJ Board of Directors is excited to see Tim and Sharyn carry on this very successful business. We believe this move is in the best interest of our 44 members, who overwhelmingly support this sale. We are thrilled that the St. Jacobs name will live on in the industry and pleased that the ABS STJ partnership will continue just as it has for years," states Keith Wideman, President of St. Jacobs ABC Board.

St. Jacobs products will continue to be sold exclusively by distributors and employees of ABS Global, Inc. The STJ sale includes all bulls in the current STJ program as well as all females in the STJ Elite Female program.

"The St. Jacobs business has been a huge part of our lives for the past 7 years. This combined with my 20 years of work with ABS, makes that transition of the business very simple and clean. The great news for customers and suppliers of genetics is that they will see no changes in the business. We believe we can continue the great tradition St. Jacobs has built," adds Tim.

We look forward to working with you. *Tim & Sharyn*

See us on Facebook at
St. Jacobs ABC.
Also watch for the new STJ
website in September.
